267

The number of different roles in the Armed Forces, developing in-demand skills for the civilian workplace.

91%

of employers who are actively recruiting veterans would 'definitely recommend' it to other organisations.

1800

The estimated number of people who leave the armed forces and settle in Scotland every year.

WHY BUSINESSES SHOULD RECRUIT VETERANS

Expertly trained ex-military personnel represent a unique, diverse, and high performing source of talent, and make highly effective employees.

That's why many employers are now targeting talented, can-do veterans to fill their skills gaps.

“EX-MILITARY BRING EXPERIENCE OF WORKING ACROSS GEOGRAPHIES AND CULTURES, AND OFTEN HAVE THE ABILITY TO INSPIRE, INFLUENCE AND MOTIVATE.”
